DOWNSTAIRS MASTER BEDROOM

What a find! Four bedrooms, two bathrooms and powder room, and the master bedroom is located on the ground floor.

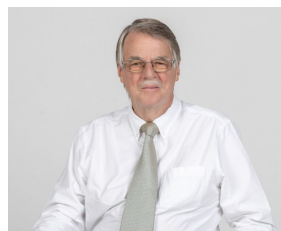

From the entry foyer you walk past the master bedroom into the air conditioned tiled living/dining room with the kitchen adjacent looking into the secure courtyard.

Upstairs there are three more double bedrooms, one with double doors and views, and another family room at the top of the stairs and the main bathroom with spa and separate toilet. The property has recently been painted and is ready to move into and enjoy.

Superior fixtures and fittings are evident throughout this
