30 SQUARES OF RESORT STYLE FAMILY LIVING

The hillside villas at 'Lake Hills' are ideal for the growing family with its separate media/rumpus room and separation of the master and second and third bedrooms. They work equally as well for the business couple or retirees, with first class facilities and maintenance of gardens, pool and amenities taken care of.

The villa has a security door fitted and ducted air-conditioning throughout. The black granite kitchen has a Miele glass cooktop, rangehood, stainless steel oven and dishwasher. The paved courtyard at the rear is ideal for those summer barbeques, being both private and backing onto the common and pool area.

Some features include:
